### LOCAL MAN GOT COURT HOUSE FURNITURE JOB

W. B. Petty Underbid Outside Competitors and Got the Contract at Total Sum of \$11,365.00

The county commissioners in regular monthly session Monday awarded the contract for furniture and fixtures for the new court house to W. B. Petty of Durant at the figure of \$11,365. Mr. Petty underbidding several outside competitors and was about \$200 under the next lowest bidder.

The contract is the largest ever awarded to a local furniture dealer, and calls for furniture and fixtures exactly like those of the new State Capitol building at Oklahoma City.

Chairman Ed Spears of the board said to the News this week early that he hoped the county officials ought to be able to move into the new building the latter part of this week or the first part of next week.

Aside from the furniture contract the commissioners attended to no business except regular routine monthly affairs.
